

Announcing a new workshop for church staff, clergy and church volunteers by the Care and Counseling Center of Georgia . . .

Helping your Church be a “Good Samaritan” During Uncertain Times

- Are more people than ever coming to your church door for **assistance**?
- Are you prepared to quickly and **accurately assess the needs** of each person?
- Are your church staff and volunteers **adequately trained to respond** to the variety of needs people have?
- Can you suggest **additional resources** in the community for people to access?
- Do you have appropriate **safety procedures** in place in case difficulties arise with those requesting assistance?
